Bonanza
Adventures of Programmers

1 Why is this..
2 Task..
3 Looks so unusual?
4 Am I..
5 Missing Something?
6 Who uses Selenium though?
7 Is this my end?
8 When can I eat my dinner?
9 This world is complicated
10 But work is work
11 You have to force yourself into it
12 Even if.. It looks unusual
13 Gotta keep going at it
14 And stay creative
15 Unless you want to be kicked out
16 Then you do you I guess
